

LION TALES

Sutter Creek Lions Show Their Support for Sutter Creek Boy Scout Troop 63

Lion Jean Pinotti donated the "Snark" to Troop 63. Accepting on behalf of the Boy Scouts is troop leader Josh Hall.

Troop 63 also contributes to the success of our annual Crab Feed. They arrive in the morning to set out chairs, tables, dinner settings, etc. That evening they hustle up and down the aisles serving food and making sure our guests have enough to eat, remaining for cleanup. Guests are generous with their tips to the Scouts for a job well done. Our club also donates \$750 for their help and service.

The second Scout that we contributed funds toward an Eagle Project is Spenser Schultz. His goal was to teach at least 250 people in Amador County Hands-Only CPR. Our club donated \$375 for five Automated External Defibrillators (AED) trainers. When Spenser came to our meeting to talk about his project and train our members, he had already trained over 400 people.
