Lion Tracy (far left) being creative as she puts the finishing touches on the Sutter Creek booth, at the Amador County Fair.

The finished display of the booth for Sutter Creek, at the Amador County Fair. A great big Thank You to the historic Knight Foundry in Sutter Creek! They were very kind to let us borrow some very old and irreplaceable items for our display. We also want to thank Lion Jan and Jackson Lion AJ Harris, for letting us borrow the red wagon, gold mining pan and pick axe for our display.

Lion Julie had much success, when she entered five of her horses, with nine girl riders participating in the 4H-FFA Youth Horse Show. The talented and skilled riders won many ribbons!
