## First Annual Blood Drive

The Sutter Creek Lions is partnering with Vitalant to host a blood drive at the Sutter Creek Community Center. When you give blood with Vitalant, you have the potential to *help hospital patients within your community* and, when the need arises, others across the country.

Many people believe that most blood is needed after major disasters. However, daily personal emergencies and ongoing medical needs of thousands of patients require a constant and ready blood supply. It's the blood already on hospital shelves that saves lives.

If you're in good health and meet the general eligibility criteria, then you are likely able to give blood. We need a minimum of 40 donors to sign up in order for us to set a date. Attached is a sign-up sheet to help us reach our goal. More information will be shared once the date is set.

Several items will be raffled off the day of the blood drive. **Only donors will receive a free raffle ticket that day and be able to participate.** After your donation, enjoy light refreshments (available at no cost) to replenish fluids and nutrients.

*Helping Us Make This A Successful Event For Our Community*
