

LION TALES

Jackson Junior High comes through again for the Ronald McDonald House Charities. At our Valentine Dinner, special guests Tawny Thornhill (Jackson Junior High Campus Supervisor), Chad Gideon (7th grader from Pine Grove), and Haley Schwartz (8th grader from Sutter Creek) presented us with **23 lbs. of pull tabs** that were collected within the last year at JJHS. Thank You Sue Flynn for arranging the presentation and **Thank You** Jackson Junior High for helping to make a difference!

Also that night, our guest speaker, Executive Director Cathy Koos Breazeal of the Amador Fire Safe Council, talked about defensible space in rural communities and a new Firewise Community Certification program.

Our room and tables were beautifully decorated by Gloria, Sue, Francine, and Jan who also cooked and served our delicious dinner. Thank you ladies for all the time you spent making this a special evening.

Raffle Prize Winners Tom & Emily!

If you were at the meeting you received your "official" Sutter Creek Lions Club coffee mug.
