

LION TALES

Amador County Fair 2014 City of Sutter Creek Booth

This year the Sutter Creek Lions took on the task of working on the City of Sutter Creek's booth at our county Fair. The theme for the Fair was "There's No Place Like Home". Rick Champlin (project leader), Mike Flynn, Chuck Swiderski, and Jan Harris spent a combined 30 hours redesigning and constructing the booth.

They tightened up the existing panels of the mural, painted the frame, and added signage

Added new bark, a bench, a railing, and a creek

Erik Peterson (E. Peterson & Company of Sutter Creek) donated and installed a new sign for the project

Dressed up their star of the booth

Even made it onto the Fair's Facebook page!

Then it was time to stand back and admire the results!

We'll be looking for some members with creativity to work on next year's booth once the Fair announces the new theme. This year's team is challenging next year's team to bring home 1st or 2nd Place!

PS: Member Debbie Collins also received a first and second place for photographs she entered in the Fair. Congratulations Debbie!!!
