

# LION TALES

Jan Harris and Chuck Swiderski represented the Sutter Creek Lions in presenting McKayla Mondani of Amador High School with a \$1,500 scholarship. Below is a letter from McKayla.

My name is McKayla High School. I currently have a of the Sutter Creek Future year. I also play varsity softball the Amador County Fair and Café. I am a member of the where I have completed

that I enjoy completely. I also enjoy all the community service activities that the FFA has enabled me to be a part of. I plan on attending Modesto Junior College in the fall with a major in agriculture sciences.

Mondani. I am a senior at Amador 3.0 G.P.A.; I am the chapter president Farmers of America for the second for Amador High. I raise animals for have a part time job at the Blue Moon American Legion Auxiliary Post 767, numerous hours of community service

My freshman year was a real awakening for me. I found something that I truly love and enjoy and that is the agricultural sciences. Joining the FFA has given me the opportunity to find an avenue for my goals and passion. Last year I started an Ag. Day for the third grade students at Sutter Creek Elementary. It was a day for our FFA chapter to go and teach the students about agriculture and how it plays such a vital role in our lives.

It is not difficult to work hard for something when you truly have a passion for it. That is how I feel about teaching and agriculture. After completing my education at Modesto Junior College I plan on attending a four year college to receive my masters in Agriculture Education. I then plan on becoming a high school agriculture teacher.

I come from a long line of hard workers. I have seen that with a strong commitment and work ethic you can achieve your goals. That is why I am asking you to consider me for this scholarship. I realize that the most important things in life are not just handed to you; you have to work hard and be committed. I am willing to do both of those things!

I would like to thank you for your time and consideration.

Sincerely,

McKayla Mondani
