

# LION TALES

The Lions Club was founded by Melvin Jones in 1917 and in 1947 he came to Sutter Creek and presented the Sutter Creek Lions Club their bell at their Charter Dinner. Melvin Jones' personal code was "You can't get very far until you start doing something for somebody else." This became a guiding principle for public-spirited people the world over.

We have one of those people in our club who was honored on May 14, 2013. The Sutter Creek Lions donated \$1,000 in the name of Bob Carlson to Lions International to be used toward the Hurricane Sandy disaster. Past District Governor Gene Weatherby presented Bob Carlson with the Award.
