Peace Poster Contest

The Lone Jr. High and Jackson Jr. High students will get a chance to participate in the Annual Lions Club International Peace Poster Contest. Students must be between 11-13 years of age and the theme of the contest this year is "Imagine Peace."

The contact at JJH is Lion Sue Flynn and the contact at IJH is Megan Taylor of ATCAA who operates the Friday Night Live program on that campus.

Posters will be judged by November 15, 2012, and the winner's work will be sent to Lions Club District Level for further judging.

INTERFAITH FOOD BANK

Eight Sutter Creek Lions have volunteered to help out at the Interfaith Food Bank: Mike Flynn, Joanne Silva, Bob Carlson, Ginny Hiatt, Howard Webb, Francine Pogue, June Green, and President Steve Routt.

Tuesday, October 16, the Lions received training for distributing food. Training for driving food from stores to the storage center will be arranged by each volunteer.

Five SCLs have volunteered to help out for Project Thanks, November 20, 2012 in food distribution and directing traffic: Chuck Swiderski, Francine, Howie, June, and Mike.

If any SCLs would like to participate who haven't yet volunteered, contact Lion Howard Webb at 296-1356.

WHITE CANE DAYS

The Sutter Creek Lions collected donations in honor of White Cane Days on October 5 and 6 in front of the Sutter Creek Auditorium. Monies collected are used to support programs and services for people who are blind or visually impaired as well as for sight conservation.

CHARTER NIGHT

Celebrating our first year, members and guests gathered for dinner at Bellotti's on September 25. Also present and giving encouragement to our newly re-chartered club was Past District Governor David McCullough and Laura and Vice District Governor Tom Bauder and Toni Dickerson. Also joining us for the evening were six members from the Escalon Lions.

Lions Eye Foundation of California-Nevada, Inc.

The Sutter Creek Lions are members of the Lions Eye Foundation of California-Nevada, Inc. The Lions Eye Foundation (LEF) has been in existence for more than 50 years and has helped countless thousands of individuals to experience a better quality of life by being given the “gift of sight”. The LEF began in 1960 with a small group of Lions in the San Francisco Bay Area with the determination to help others. Today, the LEF, meets on a quarterly basis in various cities throughout California and Nevada, and has evolved into an organization consisting of over 33 trustees and 33 advisors representing member clubs in nine Lions districts. As a member club we have the right to refer patients. This is a multi-step procedure requiring information from the patient, the patient's physician, and the sponsoring club. The first step is to verify that the patient meets the financial eligibility requirements. The second step is to assure that the patient has been seen by a physician who provides a diagnosis and supporting information. The third step is for the patient to fill out and authorize the release of medical information. The final step is for the sponsoring club to complete the application and forward all documentation.

- 👁️ The most prevalent surgery was for cataracts
- 👁️ There were 16 surgeries for retina, cornea or strabismus problems that would have cost \$25,000 - \$35,000 each
- 👁️ The youngest patient was 9 years old, oldest was 72 years old
- 👁️ There were also 40 Laser Procedures with an estimated value of \$60,000

If you know of someone who would be a candidate for this program, contact Sutter Creek Lions at P.O. Box 71, Sutter Creek, CA 95685 or email champs20@att.net.
